

## Ruby Rousson

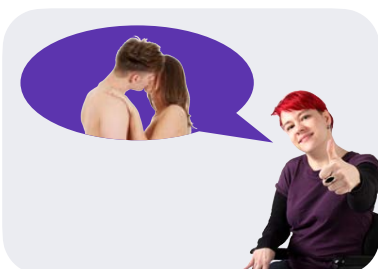

Ruby Rousson is a disabled writer who focuses on sex education.

Through her many projects Ruby wants to discuss things that are not usually talked about.

Her biggest project is called Arousibility - it was created to educate people on sex.

Ruby has concentrated on:

- discussing sex and disabled people

- things that are not talked about, but that we need to know.

She feels discussing these types of topics will make the world a better and safer place.
