Disability Power 100

Start Change works to support both **BAME** people and disabled people to have the same chances in life as others.

**BAME** means people who are Black, Asian or other ethnic minorities. They may come from a different country or have different colour skin.

Start Change provides:

- Information, advice and help.

- Teaching and support.

- Advocacy - this is when someone helps you to speak up, or speaks for you.

Start Change wants to help all BAME and disabled people to:

- Believe in themselves and understand their rights.

- Have access to education and jobs.
